ABOUT THE OSHKOSH AREA COMMUNITY FOUNDATION

The Oshkosh Area Community Foundation is a 501(c)3 nonprofit organization that works with hundreds of donors who wish to invest in the future of our communities.

Since 1928, the Oshkosh Area Community Foundation has helped donors turn their charitable investments into projects that add energy and vitality to our community. Serving Green Lake County, Waushara County, Winnebago County, and Ripon, the Foundation strives to advance the community's quality of life and capacity for excellence.

CREATING OUR FUTURE: BUILDING COMMUNITY

What a fantastic year it's been for the Oshkosh Area Community Foundation as we celebrated our 95th anniversary of serving our communities in Green Lake, Waushara, and Winnebago counties, and Ripon.

We've achieved some remarkable milestones together. We raised over \$300,000 for the Taking Root II campaign, making Oshkosh greener by replacing terrace trees lost to the emerald ash borer. We opened 31 new funds and proudly distributed a record \$8.2 million in grants across our tri-county region. This sum includes \$420,000 in scholarships to empower our next generation of leaders and \$1.16 million for vital capital campaigns.

The trust you place in us has also resulted in over \$9 million in new contributions, bringing our year-end total assets to more than \$150 million. We are humbled by your faith in our vision and the enduring legacy we are creating. Thanks to you, our 95th year was a true success.

But it's not just about numbers. This annual report shares stories of change, highlighting your incredible commitment to a better future. We're honored to be the stewards of your generosity and excited to share the stories of impact that your support has made possible.

In these pages, you'll discover the profound power of education. It goes way beyond the classroom—from STEM to the arts, scholarships to childcare, mental health to trades, and so much more. These stories illustrate the difference we're all making together.

Your support has been the driving force behind the Oshkosh Area Community Foundation. Thank you for being champions of growth, builders of community, and architects of our future. Together, we're forging pathways to a brighter tomorrow.

With gratitude,

Bill Wyman
President & CEO

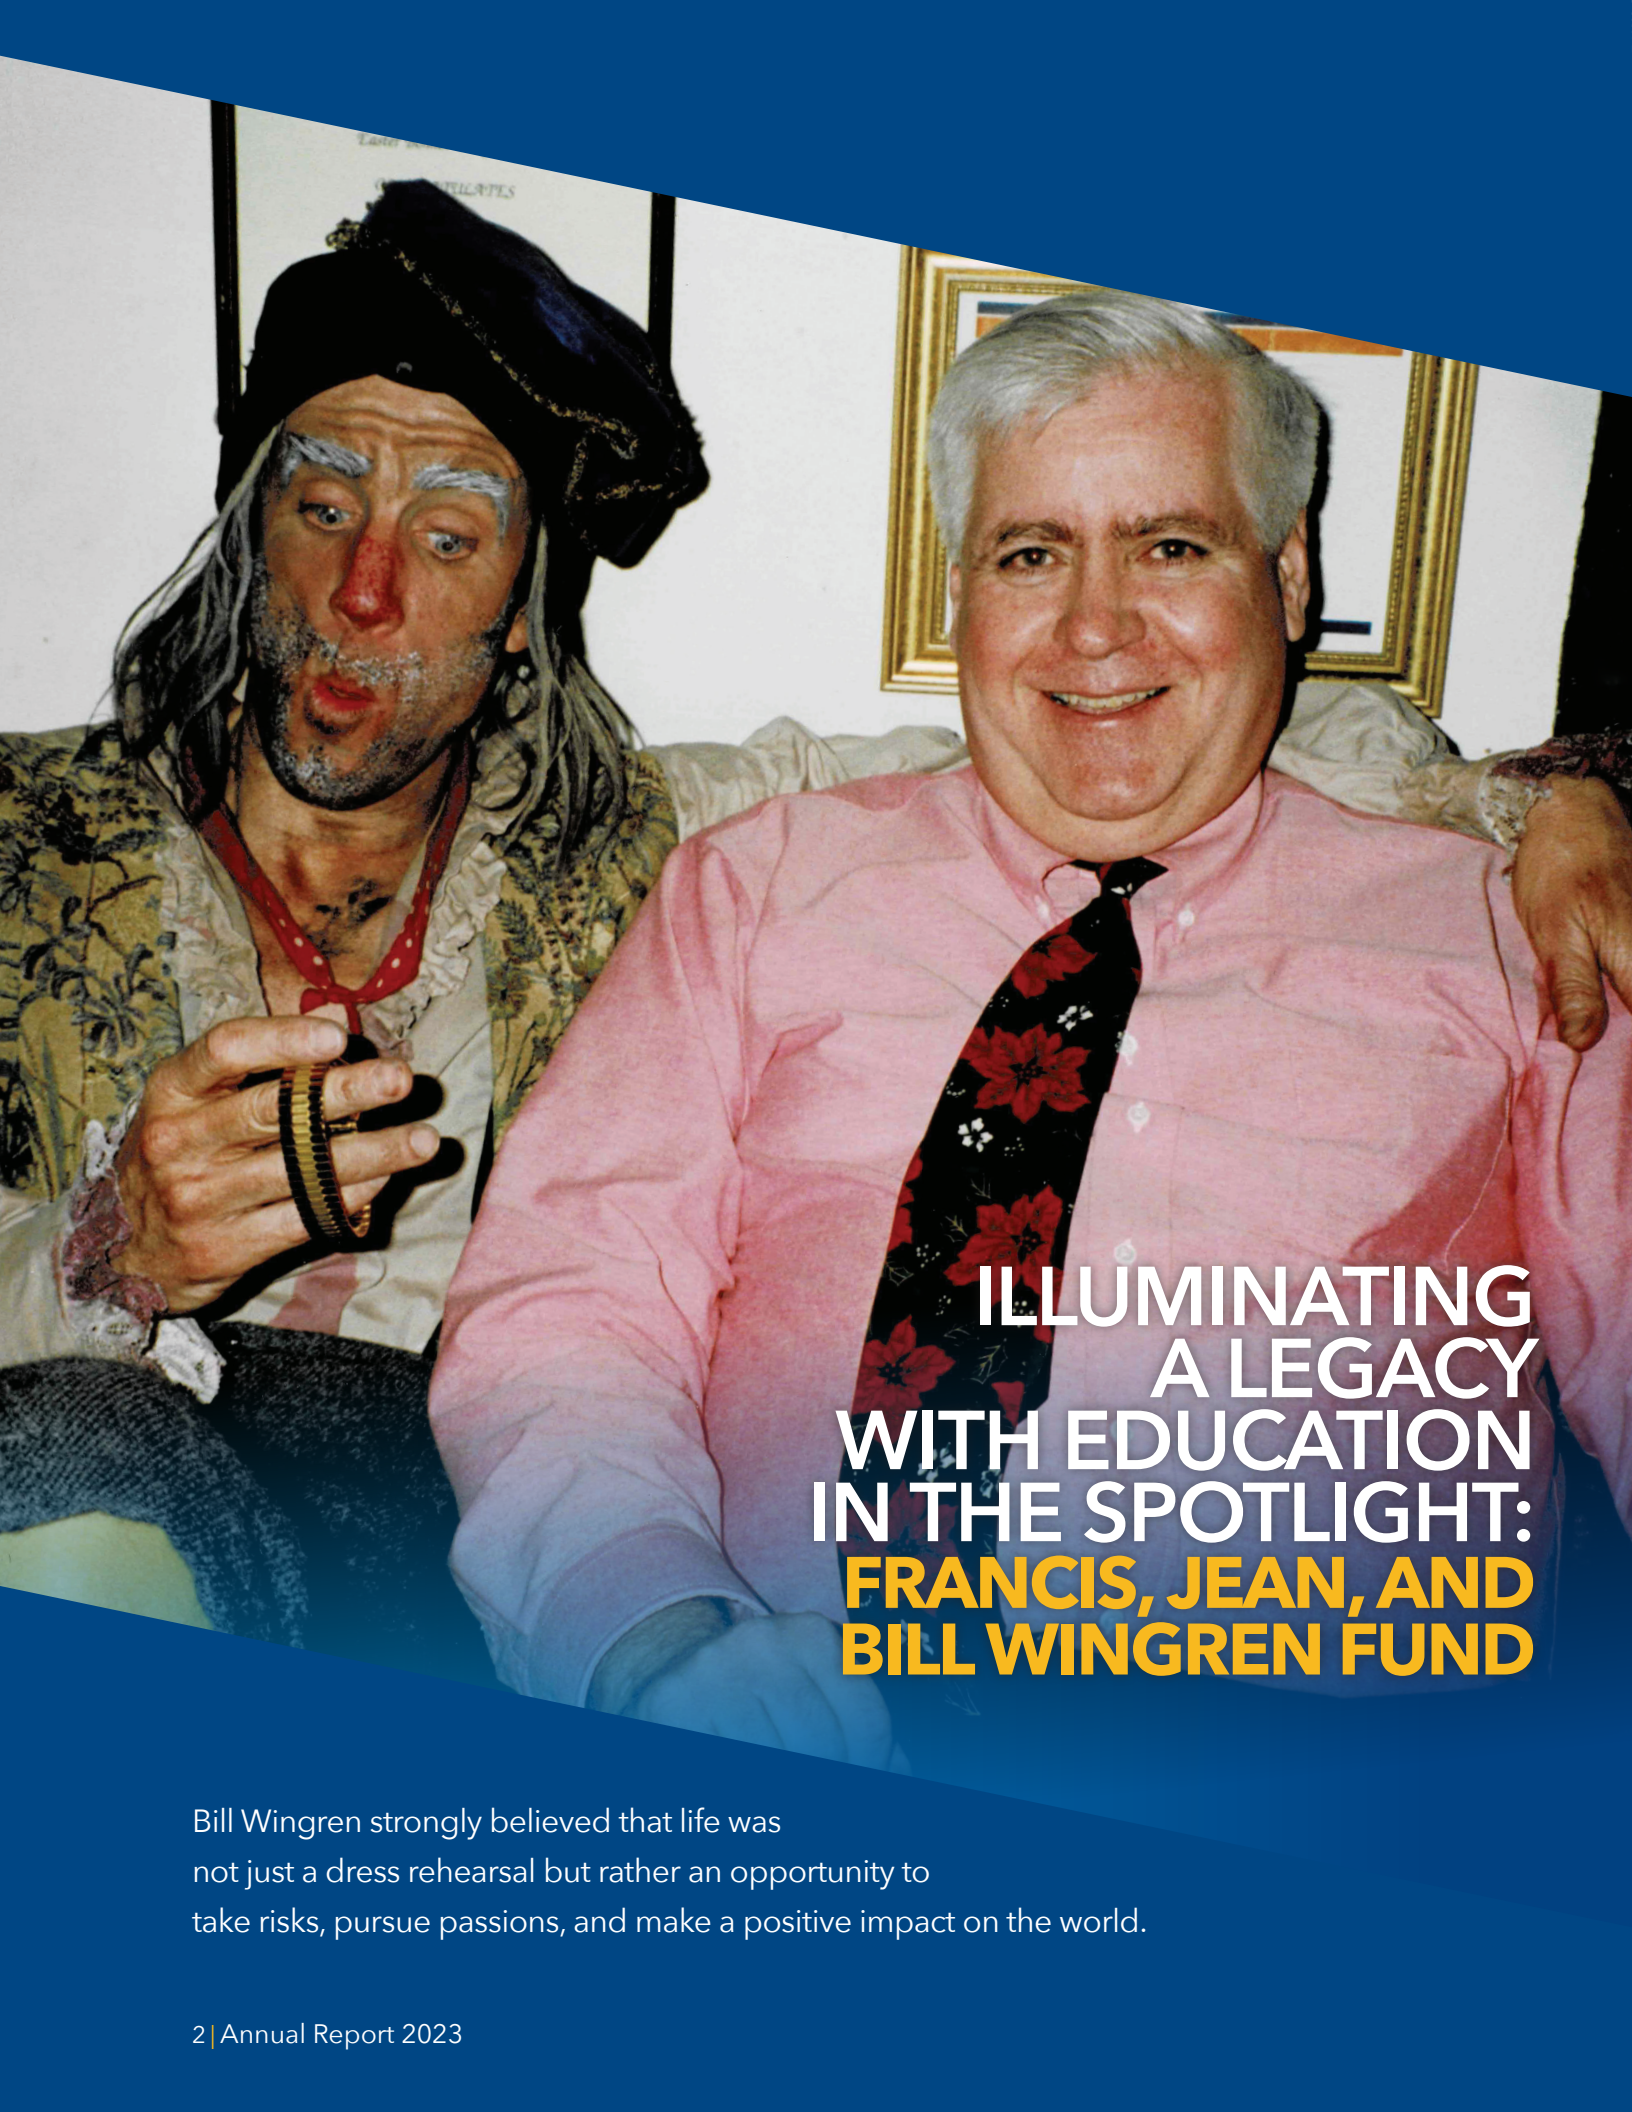

ABOUT THE COVER

Wave Robotics Team 2826, based in Oshkosh, was established in 2008 with the objective of providing students with valuable science, technology, engineering, and math (STEM) opportunities through the FIRST® Robotics program. Each year, students participate in the international high school robotics competition known as the FIRST Robotics Competition (FRC). Wave Robotics has built a strong reputation within the FRC community for its teamwork and innovation and has achieved significant success in both regional and national competitions.

Since its inception, Wave Robotics has expanded its offerings to include K-12 programming in FIRST Robotics programs, camps, Lego League competitions, and other outreach initiatives. More than 40 volunteer mentors contribute their professional expertise as students of all ages come together through this competitive program.

To ensure the long-term sustainability of the program and garner support from the community, Oshkosh FIRST Wave Robotics established a Designated Fund within the Oshkosh Area Community Foundation. "Our goal is to create a program that will perpetually inspire our students to develop an interest in science and strive for greater achievements," explains Komal Mehta, a Board of Directors member for both Wave Robotics and the Oshkosh Area Community Foundation. "This program is all about awareness of science, and to make it not so intimidating."

**ILLUMINATING
A LEGACY
WITH EDUCATION
IN THE SPOTLIGHT:
FRANCIS, JEAN, AND
BILL WINGREN FUND**

Bill Wingren strongly believed that life was not just a dress rehearsal but rather an opportunity to take risks, pursue passions, and make a positive impact on the world.

Stage

Orchestra

In the world of education, there are individuals whose impact extends far beyond the confines of the classroom. William "Bill" Wingren, who was a dedicated teacher and musical theater enthusiast, is a shining example of how one person can leave a lasting imprint.

Born and raised in Oshkosh, Bill attended St Mary's Grade School, Oshkosh High School, and finally the University of Wisconsin Oshkosh, where he obtained a Bachelor of Arts in English and History Education. After completing his student teaching, he found his calling and was hired the following fall as a special education teacher. Dear friend and former colleague Helen Limberg shared that in the thirty plus years that Bill taught, he always believed that the students should have practical projects and learn life skills. He was sure to add humor to every lesson and gave his students the true gift of time.

Although teaching was his first love, Bill also enjoyed music and drama. After seeing *Les Miserables* on Broadway for the first time in 1997, he was so captivated that he saw it dozens of times more in places as far away as London and San Francisco and as close as local high schools. He loved pop-oriented productions like *Cats*, operatic shows with elaborate sets like *Phantom of the Opera*, and classics like *Annie Get Your Gun*. Bill took great pleasure in recounting his musical experiences with his students back home.

Bill strongly believed that life was not just a dress rehearsal but rather an opportunity to take risks, pursue passions, and make a positive impact on the world. In 2011, he established a fund named after himself and his parents—the *Francis, Jean, and Bill Wingren Fund*. Bill created a planned gift to ensure this fund would continue to support the causes that deeply mattered to him and his parents. Through your Community Foundation, Bill's estate gift supports programming for dogs in the Oshkosh area, outdoor beautification at several Oshkosh organizations, and funding for public and private high school musicals in Oshkosh. His fund also supports organizations including Meals on Wheels in Winnebago County, the Christine Ann Domestic Abuse Center, and Park View Health Center.

Despite his passing in 2022, the ghost light—a tradition to keep a light on in the theater at night—is shining bright through Bill's charitable impact on the community.

Bill created a planned gift to ensure that the Francis, Jean, and Bill Wingren Fund would continue to support the causes that deeply mattered to him and his parents.

THE FRANCIS, JEAN, AND BILL WINGREN FUND WILL SUPPORT FUTURE HIGH SCHOOL MUSICALS IN OSHKOSH, SUCH AS VALLEY CHRISTIAN SCHOOL'S RECENT PERFORMANCES OF JOSEPH AND THE AMAZING TECHNICOLOREDREAMCOAT.

The Webster family's philanthropic spirit and heartfelt dedication will continue to uplift the lives of countless individuals for years to come.

**FROM LOCAL
GROCERY STORE
TO COMMUNITY
PILLAR:
WEBSTER FAMILY
FUND**

In 2001, Rob and Kathy Webster established the Webster Foundation as a testament to their commitment to making a lasting impact on their community in Ripon and the surrounding areas. Motivated by a deep sense of gratitude for their community's support of their locally owned grocery store since 1987, the Websters desired to give back in a meaningful way.

The Webster Foundation proudly offers several grants in the Ripon area, funding projects that involve youth programming, technology and equipment upgrades, and local library enhancements. Area churches, nonprofits, schools, food pantries and more received nearly \$90,000 in grants during the Webster Foundation's 20th Annual Grant Presentation this past spring. To date, the Foundation has awarded over \$1.5 million in grants, matching funds, and scholarships, leaving an impact that is felt deeply throughout the communities of Ripon, Green Lake, Princeton, Berlin, Markesan, Fairwater, Pickett, Brandon, and Rosendale.

"We are so honored to support these local organizations and their continued efforts at uplifting the members of their communities," shared Candie Baker, daughter of Rob and Kathy Webster and owner of Webster's Marketplace since 2010.

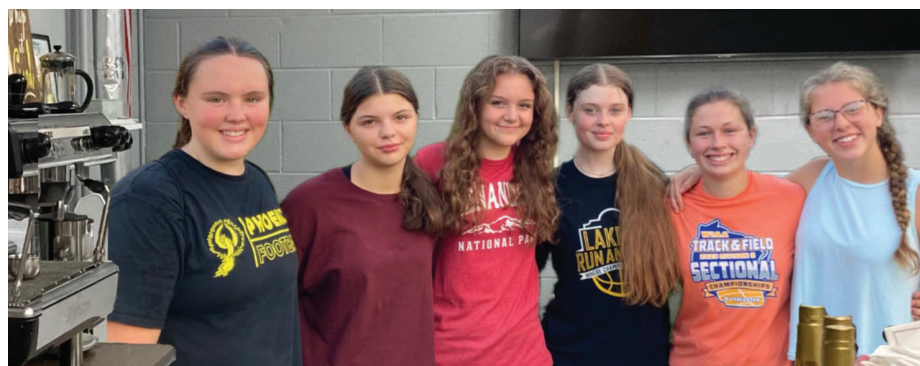

Recognizing the potential for greater impact, the Webster Foundation recently partnered with the Oshkosh Area Community Foundation by opening the *Webster Family Fund*, enabling them to co-invest and support more grants each year. By establishing this fund, the Websters aimed not only to maximize tax benefits but also to pool their resources with other philanthropists, thereby enhancing the collective capacity to address community needs. With your Community Foundation's help, the application process for Webster Foundation grants has moved online, streamlining the process for organizations to apply.

One of this year's grant recipients, Princeton High School, received \$5,000 for a commercial espresso machine. With a strong commitment to community engagement, the grant is helping the Princeton School District establish a student-operated coffee shop on the high school premises. This initiative aims to offer students a valuable learning experience while also serving the local community. Through the funding provided, the school was able to purchase the espresso machine, a commercial burr coffee grinder, and other essential tools to equip the coffee shop.

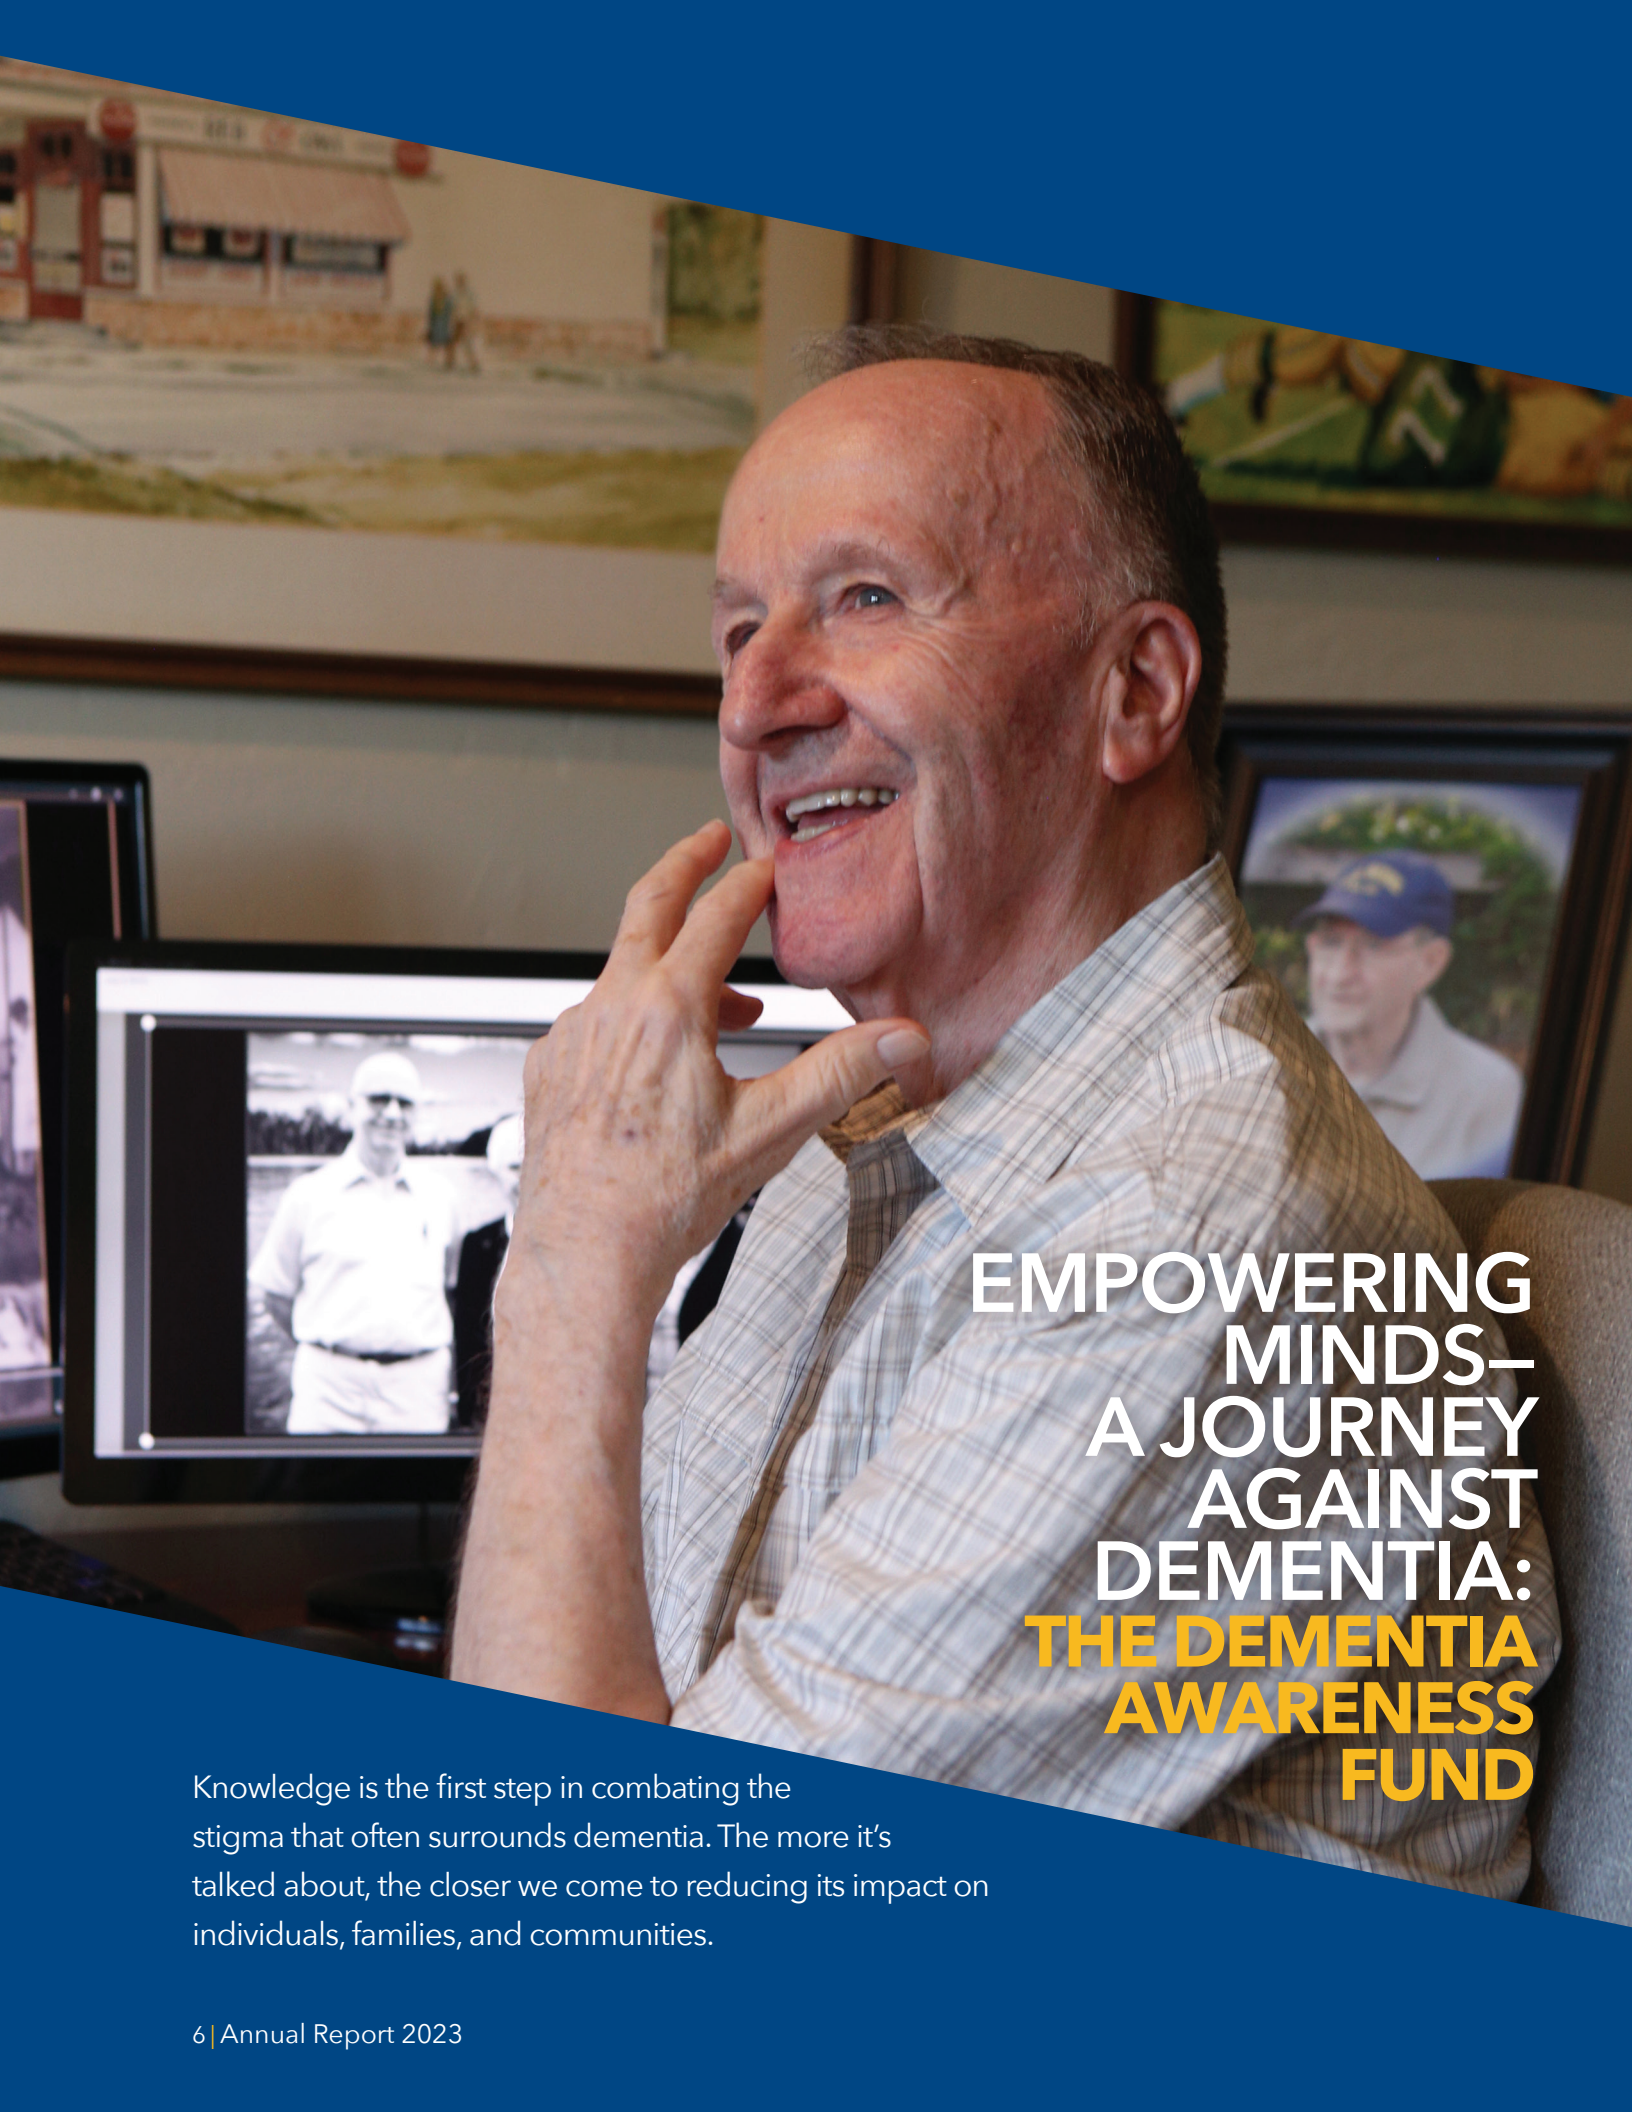

Margaret Metras, Family and Consumer Science/School to Work Coordinator of Princeton School District shared, "Last semester, the restaurant management and culinary students were introduced to coffee vocabulary, learned how to use the espresso machine, and practiced making specialty coffees including lattes, Americanos, cappuccinos, and iced coffees. They informally served teachers, staff, and some parents to develop both their coffee making and food service skills."

Whether it's funding an espresso machine or providing matching funds for youth fundraisers, the charitable impact of the Webster Foundation within a rural community is nothing short of remarkable. The Webster family's philanthropic spirit and heartfelt dedication will continue to uplift the lives of countless individuals for years to come.

The Webster Foundation proudly offers several grants in the Ripon area, funding projects that involve youth programming, technology and equipment upgrades, and local library enhancements.

THE WEBSTER FAMILY FUND MADE IT POSSIBLE FOR KIDS AT PRINCETON HIGH SCHOOL TO LEARN ABOUT BUSINESS OPERATION WHILE SERVING THEIR COMMUNITY.

**EMPOWERING
MINDS—
A JOURNEY
AGAINST
DEMENTIA:
THE DEMENTIA
AWARENESS
FUND**

Knowledge is the first step in combating the stigma that often surrounds dementia. The more it's talked about, the closer we come to reducing its impact on individuals, families, and communities.

After losing his father, brother, and sister-in-law all to dementia, Don Hansen found himself on a mission he never anticipated: becoming a passionate philanthropist and a devoted advocate for increasing dementia awareness throughout Winnebago County and surrounding areas. His passion started with researching and educating himself about the disease—the various types, their symptoms, and the impact on both patients and caregivers. The more he understood, the stronger his desire grew to raise awareness and promote understanding. He realized that knowledge was the first step in combating the stigma that often surrounds dementia. The more it's talked about, the closer we come to reducing its impact on individuals, families, and communities.

Dementia refers to loss of memory, language, and other thinking skills that is severe enough to interfere with daily life. Alzheimer's disease is the most common cause of dementia and as of 2020, about 120,000 Wisconsinites were living with the disease. This number is projected to grow as our population continues to age. It's no secret that Wisconsin's older population—those aged 60 and above—is undergoing a significant surge. Experts predict that by 2030, more than a quarter of Wisconsin's entire population will be 60 or older.

“...knowing where to go for support is vital since the number of people living in the Oshkosh area with dementia is expected to double by 2040.”

*Mike Rohrkaste,
executive director of
Fox Valley Memory Project*

As this demographic shift occurs, your Community Foundation is dedicated to staying in front of community trends and providing education and support. Together, with donors like Don, we are working to bring awareness to the community.

“Increased awareness of dementia symptoms and knowing where to go for support is vital since the number of people living in the Oshkosh area with dementia is expected to double by 2040. There is recent news about new medications that may slow the progress of dementia, but still there is no cure,” shared Mike Rohrkaste, executive director of Fox Valley Memory Project.

Nearly a decade ago, Don established *The Dementia Awareness Fund* with a simple goal—to increase dementia awareness and support organizations working to do so. In addition to providing financial support to such organizations, Don also served on the Alzheimer's Association and Fox Valley Memory Project Board of Directors and volunteered at local Memory Cafés and the Winnebago County Aging and Disability Resource Center (ADRC).

With support from Don's fund, the Winnebago County ADRC offers a monthly Virtual Dementia Tour at Park View Health Center in Oshkosh. The tour, developed by Second Wind Dreams, is a patented and evidence-based method of building a greater understanding of dementia. It allows participants the opportunity to experience the physical and cognitive challenges facing those with dementia by “walking in their shoes.”

“This free program provided me a sense of what it is like to be an individual who has dementia. It was a profound emotional experience,” shared Paul Janty, former Winnebago County ADRC committee chair and Virtual Dementia Tour volunteer. “Participation has increased my compassion for individuals with dementia along with their caregivers and family members.”

The Fox Valley Memory Project, Winnebago County ADRC, and Alzheimer's Association are combining resources to launch an Alzheimer's and dementia awareness campaign this fall. This collaborative effort, funded by *The Dementia Awareness Fund*, will continue the groundwork Don started to increase understanding about dementia and promote support programs available to families in the greater Oshkosh area.

THE DEMENTIA AWARENESS FUND SUPPORTS PROGRAMS TO INCREASE UNDERSTANDING OF THE DISEASE.

FUNDS AT OSHKOSH AREA COMMUNITY FOUNDATION

- AGENCY**
Nonprofit organizations designate funds to support their agency's mission.
- DESIGNATED**
Donors choose one or more specific nonprofit organizations to support.
- SPECIAL PROJECT**
Donors contribute to a specific community fundraising effort.
- GIVING CIRCLE**
A group of donors pool their resources, contributing to the fund and recommending grants to support projects of interest to the giving circle.
- SCHOLARSHIP**
Donors provide post-secondary scholarships for high school graduates.
- DONOR ADVISED**
Donors personally recommend grants to support nonprofit organizations and projects.
- FIELD OF INTEREST**
Donors support a general cause, rather than a specific nonprofit organization.
- COMMUNITY IMPACT**
Donors give without any restrictions, allowing the Community Foundation to address the area's most pressing needs.

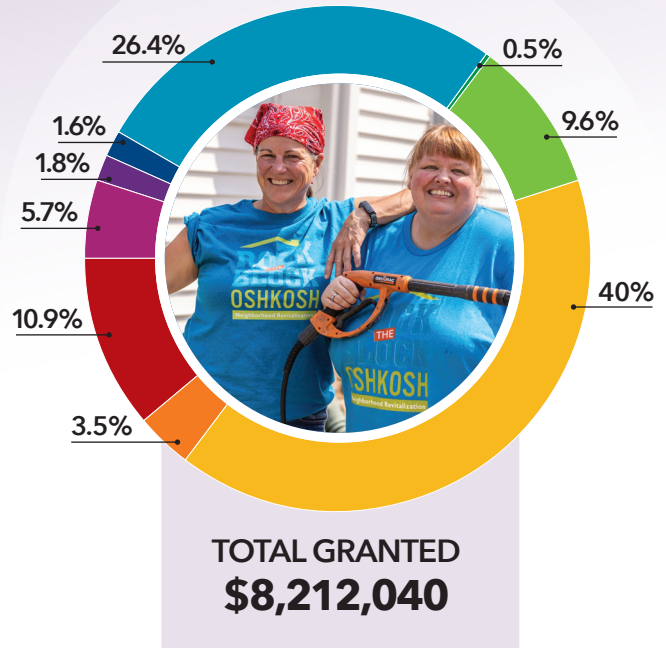

THE TAKING ROOT II CAMPAIGN FUNDED TREE PLANTING AROUND THE OSHKOSH AREA.

From Donor Advised Funds to Field of Interest Funds and more, starting a charitable fund at your Community Foundation can make philanthropic giving impactful, easy, and meaningful.

Acton Academy Oshkosh Tuition Assistance Fund

Inspired by the Montessori education method, entrepreneurialism, and the philosopher Socrates, the Acton Academy method is a decade school model of international schools. Acton Academy Oshkosh, a 501(c)3 organization, opened its doors in September 2020 and is already planning a campus expansion to accommodate the overwhelming demand from the community for this innovative learning method that features mixed-aged studios, no homework, and a 10-month school calendar. In July 2022, the *Acton Academy Oshkosh Tuition Assistance Fund* was created to help provide an exceptional educational experience regardless of ability to pay.

Inspiring Wellness

Ripon Education Foundation Program Fund

The Ripon Education Foundation supported a Wellness Day event at Murray Park Quest this spring with funds from the *Ripon Education Foundation Program Fund/ Nicole Moniz Memorial Fund*. The event kicked off with an interactive discussion by Lindsay Loewe from Collaborative Wellness, followed by a variety of wellness activity stations for students that included mental health puzzles, therapy dogs, and learning about proper nutrition. Students also had the opportunity to create calming bottles and positive affirmation rocks, and explore nature through a scavenger hunt. The *Ripon Education Foundation Program Fund* provides financial assistance to enhance programming and educational projects throughout the Ripon Area School District.

Enriching Arts Education SOAR Fund

SOAR (Special Opportunities for Artist Residencies), a nonprofit dedicated to providing hands-on, active learning in the arts for K-12 students in the Oshkosh Area School District, was created in 1991 by a group of visionary school district and community leaders. Each year the all-volunteer board raises funds through the Oshkosh Area Community Foundation to support residencies in the visual and performing arts in multiple schools to teach, inspire, and encourage arts education. Residencies of 1-5 days are provided by local, regional, and national visual and performing artists offering glimpses of creativity, beauty, and wonder. Since 1991, SOAR has invested over \$250,000 to serve district students.

Annual Car Show Supports Area Youth WINNECONNE ROADRUNNERS SCHOLARSHIP FUND

The 7th Annual Winneconne Road Runners Car Show and Craft Fair Fundraiser was held this summer to raise money for the *Winneconne Roadrunners Scholarship Fund*. The fund was established in 2017 by community-minded motorized vehicle enthusiasts whose common interests support Winneconne youth. This year's show featured 180 cars and over \$7,000 was raised. Proceeds support Winneconne graduates attending secondary education in the trades, such as machine tooling, manufacturing, and automotive technician engineering. Since 2017, the *Winneconne Roadrunners Scholarship Fund* has awarded \$12,000 in scholarships to nine Winneconne graduating seniors.

YMCA Childcare at UWO COMMUNITY IMPACT FUND

When UW Oshkosh announced in April 2023 that it was closing the Children’s Learning and Care Center (CLCC) on campus, the Oshkosh Community YMCA sprang into action recognizing that there are more than 900 children on childcare waiting lists in Winnebago County. A *Community Impact Fund* grant award helped to offset some of the financial burden associated with their rapid decision to operate a new childcare program in the former CLCC. The Oshkosh Community YMCA operates two additional licensed childcare centers and five licensed before-and-after-school sites, serving over 550 children each day.

More Than a Playground READ ELEMENTARY PLAYGROUND FUND

In 2022-2023, Read Elementary School had 378 students, with 53.3% of the student population being students of color, 15% being students with disabilities, and 62% of students' families identifying as economically disadvantaged. The *Read Elementary Playground Fund* was created to support the physical and mental needs of students through alternative educational tools. The project includes a fire truck and station themed playground, an outdoor classroom, and a book walk, as well as beautification of the grounds, all providing a sense of belonging among students and staff. The Oshkosh Area Community Foundation supported the project through a co-investment of Donor Advised Funds and a grant from the Women's Fund for a "Build Day," which was attended by over 100 women and children.

WHY WORK WITH US

In every great community, there are times when vision, leadership, and generosity come together to transform the future. The Oshkosh Area Community Foundation is leading the way. We celebrated our 95th anniversary in February 2023 and as we look back at our achievements, we continue to work towards new levels of success.

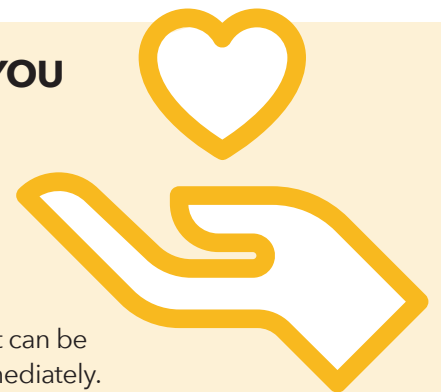

At the Community Foundation, we help donors of all levels create and grow permanent legacies for causes that are important to them. Whether those donors give \$20 to support the endowments of a specific nonprofit, or are seeking

a simple, cost-effective alternative to a private place for everyone at OACF.

HOW CAN YOU MAKE AN IMPACT?

- Open a fund.
- Continue to grow your existing fund by adding gifts that can be put to work immediately.
- Support your community’s future by contributing to an endowment fund.
- Leave a legacy by making a planned gift to the Oshkosh Area Community Foundation.

To learn more, visit OshkoshAreaCF.org or call 920.426.3993.
